

Thank You!

As you know, in 2019 SaskAbilities began a capital campaign in order to raise funds to make some very necessary upgrades and improvements to the aging facilities and grounds at Camp Easter Seal. With a goal of securing the future of Camp for generations to come, we reached out to organizations, community groups, and individuals to support us through this exciting yet daunting process and the large price tag that came with it. The community response from generous donors like you reaffirmed for us the true impact of Camp.

Finding the right words to express the immense gratitude we have for your support is near impossible. As we watch campers return to Camp Easter Seal for the first summer since 2019 and see their faces light up – we are breathing a collective sigh of relief as we know they will be navigating safer pathways, secure buildings, and upgraded facilities. Returning Camp Easter Seal staff are in awe, welcoming the many changes that make their job of supporting campers easier which means more time spent connecting and having fun! Which is what Camp Easter Seal is all about!

In 2023, SaskAbilities will be hosting a special donor appreciation Camp Day right at Camp Easter Seal with fellow campers. We want you to see firsthand the impact your donation has made. The day will include welcome speeches, a walking tour of cabins and facilities, lunch and of course, a peek into the magical world of Camp Easter Seal with some vibrant camp songs. More details will follow but we wanted to let you know that celebrations are being planned.

Join us!

On September 23rd, 2022
SaskAbilities will be hosting a virtual camp day that you are also more than welcome to attend. With this being our first year of campers returning in-person, we would love to share their excitement and activities with you. Watch our website, SaskAbilities.ca for more information. An invitation will be sent to you through email in the coming weeks.

Newly renovated, the swimming pool hosts Camp's very popular aquatics program.

Please accept this invitation as a heartfelt thank you for contributing to the Camp Easter Seal capital campaign. It is important to us that you see exactly where your dollars are invested and experience the magic of Camp. You are directly responsible for enhancing the experience of campers who call Camp Easter Seal their sanctuary and home away from home. The generosity and support you have shown is forever weaved into the history of Camp Easter Seal and its legacy of positive impact in Saskatchewan.

Sincerely,

Ian Wilkinson, Executive Director

**CAPITAL
PROJECTS
UPDATE**

The capital campaign is nearing an end. Through your generous support, we have only \$250,000 remaining to reach our goal!

The Chalet and dining hall stand renewed with beautiful new windows and updated roofing.
